# Kurtis Garcia

Frontend Software Developer
Atlanta, GA | (508) 509-5448
[portfolio.kurtisgarcia.dev](portfolio.kurtisgarcia.dev) | [github.com/kgarcia14](github.com/kgarcia14) | [linkedin.com/kurtis-garcia](linkedin.com/kurtis-garcia) | [kurtisgarcia14@gmail.com](mailto:kurtisgarcia14@gmail.com)

Creative software engineer with the ability to pick up new languages and technologies as needed. Prior to being a software engineer, I worked in the service industry as a trainer and shift leader for Ray's Restaurants where I maintained high standards of customer service during high volume, fast paced operations.

## Software Development Skills

- JavaScript, React.js, HTML5, CSS, Node.js, Express, Axios, JSON, Redux, RESTful API, PostgreSQL, Sequelize, Python, Debugging, Git, Github,  Bootstrap, Bulma, Material UI

## Education

**DigitalCrafts** | Certificate in Software Engineering | Atlanta, GA       December 2020 – April 2021
- Software engineering training program covering full-stack development including, but not limited to JavaScript, python, including an emphasis on cutting-edge frameworks like React and server-side technologies including Node.js, Express, and PostgreSQL.

## Work Experience

Ray's Restaurants | Trainer, Shift Leader | Atlanta, GA                Sept  2014 – Feb 2020
- Built loyal clientele through friendly interactions and consistent appreciation.
- Resolved complaints/issues promptly and professionally.
- Cross-trained and coordinated scheduling with team members to ensure seamless service.

Fieldstone Realty Partners | Assnt. Association Manager | Atlanta, GA         Dec 2021 – Present
- Manage time accordingly to ensure efficiency while navigating a portfolio with several managers and over 300 associations.
- Perform outstanding customer service to challenging homeowners to ensure satisfaction.
- Resolve conflicts/issues promptly and professionally.

## Software Development Portfolio

**FinanceTracker** | [financetracker.kurtisgarcia.dev](financetracker.kurtisgarcia.dev) | [github.com/kgarcia14/finance_tracker](github.com/kgarcia14/finance_tracker)
